There are many options for window design, but shopping for window treatments doesn't have to be a daunting task. The safety zone, as indicated by a 3-5mm margin inside the edges of the artboard or trim area. Give your professional and personal correspondence an edge with Microsoft envelope templates. A standard number 10 envelope template can complete your collection of business identity documents—just add your company name, logo, and address. Traditional rooms feel warm and inviting. Choose a standard 5x7 envelope template to easily create the perfect sleeve for your next correspondence. Check out all the templates for envelope design to see what works for you. Outside mount refers to a window treatment attached to the wall surrounding the window. On the other end of the decorating spectrum, cottage style has a casual, cozy feel. Top a shade with a printed valance or swag to give the window dimension. Start with the basics and learn the difference between blinds, shades, shutters and valances. CC0/mploscar/Pixabay Although some people use the terms interchangeably, they refer to specific types of window treatments. In these rooms you see wood accents, plush furniture and decorative items like baskets, plants and wall hangings that catch your eye. Blinds and shutters are typically made from sturdy materials like wood or metal and have slats that open and close. To make sure your data is the right dimensions and includes the correct bleed and trim marks (where appropriate), we have created these blank layout templates to make your life easier. Shutters add architectural detail that contrasts beautifully with casual furnishings. The bleed, as indicated by a 3mm margin extending outside of the artboard or trim area. Grab a steel tape measure and paper to record notes. Inspect the window casing. You can also create your business stationery using a matching letterhead and Word envelope template. Shades and valances are pieces of fabric. Changing the window treatments in a room is an easy way to update the look of the room without completely redecorating it. You just need a basic understanding of the available options and have a plan for the room's design. Learn the Lingo When you're shopping for window treatments, it helps to know the terms used to classify and describe them. At the same time, they provide privacy for you and your family and help you control the amount of light that enters your home. Hardware may refer to the brackets and supports that hold the window treatment in place or decorative pieces like finials at the end of curtain rods. Get to Know Your Windows Before you start shopping for window treatments, take a good look at the spot you want to dress. These will open on both Windows or Macintosh operating systems. Trade blinds for drapes to add softness to the room, or swap heavy curtains for shades to lighten the space. Solid color drapes and wood shutters work well in these rooms because they don't detract from the rest of the decor. CC0/PIRO4D/Pixabay Modern rooms have clean lines and feature a minimalist approach to decorating. You also want to find window treatments that enhance the window. This is also a practical way to familiarize yourself with the available options for your windows so you can narrow your choices. Work from left to right and top to bottom. For example, if the window casings look a bit worn and you don't have time to replace them, you may want to opt for blinds or shades mounted on the outside of the window or pair a shade with curtains to disguise the casing. Pick a Style The final consideration when shopping for window treatments is the style of the room. For users of Adobe Illustrator CS5 or newer applications, please download the .ai versions. Sheer curtains over the windows enhance the light and airy ambience of the room, especially if you live in an area with plenty of outdoor breezes. What you put over the windows may complement or contrast with the furniture and colors. Simply download the template that matches the product you want to create and open it in Adobe Illustrator, Adobe Photoshop or Adobe InDesign as appropriate. Use the three measurements for each dimension (left, center and right for the width and top, middle and bottom for the length and depth). This information will help you narrow your search. Shades roll up and down over the entire window, but valances are just decorative pieces at the top. Other words that come in handy are installation terms. We use Japanese crop marks, which have both trim and bleed marks. They add splashes of color or tie together all the pieces of furniture and accessories in the space to create a cohesive look. Simple shades and blinds carry the streamlined look throughout the room.
